12-A researcher who is fai	miliar with a topic does	not start with		
1. books	^{2.} almanacs	^{3.} periodicals	^{4.} encyclopedias	
13- The most up-to-date ir	iformation about differe	ent topic in each field can k	pe found in	
1. journals		^{2.} books		
^{3.} encyclopedias		^{4.} dictionaries		
14-Which of the following	; is INCORRECT based or	ו APA?		
1. Only the first letter	of the first word of the t	itle is capitalized:		
^{2.} The author's first ar	nd middle names are init	ialized		
^{3.} The date of publicat	tion is recorded at the er	nd of the entry		
^{4.} The date of publicat	tion is located immediate	ely after the author's name	2	
15-A is defined as a m place to place, or time		ich changes from person to) person, object to object,	
1. framework	^{2.} variable	^{3.} construct	^{4.} component	
16-The most objective sca	ale of measurement are	scales.		
1. _{ratio}	^{2.} nominal	^{3.} interval	^{4.} ordinal	
17-The variable is sele because of this variable		gate whether the results o	f research are modified	
1. moderator	^{2.} intervening	^{3.} independent	^{4.} dependent	
18-The purpose of historic	cal research is abou ^r	t causes, effects, or trends	of events in the past.	
1. to report what othe	ers have said about a par	ticular topic		
^{2.} to test a hypothesis	;			
^{3.} to justify a position	on an issue			
^{4.} to review the latest	research on an issue			
19-What is the first step in	n a historical research?			
1. collecting data				
^{2.} criticizing the data				
^{3.} formulating the pro	blem			

^{4.} interpreting the findings

20-Which of the followin	g records are nonoffici	al?		
1. constitutions				
^{2.} laws				
^{3.} information compi	iled by government age	ncies		
^{4.} artistic remains inc	cluding drawings, painti	ngs, etc		
21-Which of the followin	g questions is related t	o internal criticism?		
1. Is the document re	eal?			
^{2.} Is the content of the	ne document true?			
^{3.} Is it truly written b	y the person who is clai	imed to have been written?	2	
^{4.} Is the document su	upported by other relate	ed documents?		
22-External criticism is p	erformed in order to ch	neck of the document.		
1. the authenticity		^{2.} the source		
^{3.} the reliability		^{4.} the availability		
23-Which of the followin	g studies is called natu	ralistic method?		
1. case studies	-	^{2.} field studies		
^{3.} social surveys		^{4.} correlational stu	udies	
		not manipulated, controlle nts have occurred can be c		
1. surveys	surveys ^{2.} experimental studies			
^{3.} ex-post-facto		^{4.} field studies		
25-Cross-sectional metho	ods usually have pı	urposes.		
1. descriptive or explanatory		^{2.} exploratory or e	^{2.} exploratory or explanatory	
^{3.} confirmatory or he	euristic	^{4.} descriptive or c	onfirmatory	
26 refers to an ineffe	ective treatment given	to the control group.		
1. Practice	^{2.} Placebo	^{3.} Sample	^{4.} Input	
27-In order to achieve	, the researcher tries	to control as many variabl	es as possible.	
1. internal validity		^{2.} external validity		
^{3.} reliability		^{4.} practicality
